This is my RMarkdown document which holds my answers to the ToDo excercises from Torf's and Brauer's "A (very) short introduction to R" which can be found at this link "https://cran.r-project.org/doc/contrib/Torfs+Brauer-Short-R-Intro.pdf". My Github can be found at this link "https://github.com/swarsame/SRT411-Assignment-0".
